## GENERAL DESCRIPTION

Mobile phone service consulting and information is available from ET. Mobile phone options include:

- **Mobile phone rental** – A rental service for business use is provided by an external vendor (currently this is Cellhire).
- **Corporate discounts** – Provides special contract rates to XYZ Co. employees for use with their own personal mobile phone. The contract is between the user and the vendor with bills being received directly by the user. In the Americas, discounts are received from AT&T (14%) and Verizon (10%). In Europe, the discount is received from Vodafone.
- **Goldman Sachs phone subscription (Europe and Asia only)** - A mobile phone is provided. Monthly subscription and usage is billed to the end user at vendor cost. Minimum contract period is 12 months. Delivery of new subscriptions takes one week.
